**Classified Briefing to Political Parties
September 18, 2019**

General

- SITE agencies have initiated expanded coverage for Election 2019 as of 2019 09 03 which includes the ability for 24/7 coverage/contact as required.

Pakistan

- Last week you were advised that Pakistan has been involved in a range of foreign interference activities in Canada [redacted] – some of which has crossed into potentially electoral interference and that consequently the Service would be undertaking a threat reduction measure.
- We advised that this measure would include meeting with several individuals & potentially political figures – either candidates or elected officials who have been targeted for foreign interference by the foreign state to discuss the activity of concern.

[redacted]

- [redacted] Pakistani officials in Canada have likely tried to clandestinely influence and support Canadian politicians, at multiple levels of government, with the aim of furthering Pakistani interests in Canada.

- [redacted]
- [redacted]

China

- [redacted]

Russia
