So I just had the meeting with PCO's subgroup/taskforce put together for FAI issues. I inquired as to what would our Commissioner should be prepared on. They were unsure of what was expected of the Commissioner but their questions were in relations to the 2021 Election issues which surfaced in the media.

FPNS FAI and myself have met with Senior Investigators of *Commissioner of Canada Elections* earlier in the week. We provided each other's mandates and the ways forward in how we can help each other out.

Hope is sheds a bit of light.

Thank you,

Hi [redacted]

~

We are aware that there is a DM meeting on FI on Friday. Yes, there is the expectation that the various agencies will coordinate in preparation for the meeting. When meeting with PCO, can you also get a better sense of the purpose of the DM meeting, the points of discussion and the expectations for the RCMP at the meeting? This will assist us in preparing a scenario note for the Commissioner in preparation for the meeting.

Thanks.

Hi [Redacted]

~

There is going to be a Deputy Minister meeting later this week on FI to which Commissioner Lucki will be invited, and there are a number of follow-up questions that we'd like to discuss in advance.

~

Would you have some time today or tmrw to discuss? Mark Flynn is aware that we are reaching out.

~

Thanks in advance.
