

RRM Canada - Role in SITE Task Force

- During General Elections (GEs), RRM Canada represents GAC on the SITE Task Force, monitoring the **online information environment** for signs of **foreign state-sponsored interference** using **open source methodologies**.
- RRM Canada participates in regular SITE meetings with partners, during and outside of GEs.
- During the **43rd and 44th GEs**, RRM Canada provided **weekly and daily briefs to SITE**, which were used to brief the Critical Election Incident Public Protocol.
 - IOL/RRM Canada also supported the Deputy Minister as a member of the Protocol, providing regular briefing material.
- SITE was reactivated for the four **June 2023 by-elections**. To support, **RRM Canada** is currently providing **daily briefs** to SITE on Canada's digital information ecosystem.
