Hi [REDACTED],

I hope that you are doing well. We have a few questions for you about the attached [REDACTED].
 Specifically:

1. The agreement indicates a spot for the tenant Compartmented Information Control Officer (COMCO) and Information Systems Security Officer (ISSO) to sign. Elections Canada does not have either of these positions. Would [REDACTED] consider these positions equivalent to our Deputy Chief Security Officer & Manager IT Security (who is engaged in oversight and reporting of information system security) or other positions?
2. Elections Canada may also be interested [REDACTED]. Would we need two separate agreements or would one agreement that includes/captures both Election Canada and the OCCE's [REDACTED]

Thanks so much and have a great weekend.
