Subject: CSE support for AO - update and prioritization

Good afternoon

The CCE had her meeting with Caroline Xavier today, and Ms. Xavier is supportive of prioritizing our request for authorized organization status. Once we have the memo on it sway, we can send a note to Ms. Xavier's office on our end to advise of the status.

Recognizing that there are a multitude of priorities on your plates, any priority we can place on finalizing the memo would be appreciated. I am concerned summer will hit and grind things to a halt, with the window to the next elections narrowing. Not to mention Phase II of PIFI on our heels.

Overall, a very positive response which bodes well for more rapid progress once it leaves our hands

Thank you both for your efforts to help us get into a SCIF!
