I want Elections Canada to investigate the issue of foreign interference into our election. This is based on the article written by Amy MacPherson who investigated the issue of TIME Magazine --an American owned media outlet--influencing our election. The release of the picture of our PM was troubling. More troubling is having a foreign actor--trying to affect our democracy. The link to the article is included: <https://freethepresscanada.org/tag/amy-macpherson/>

Thank you for the work you do in protecting and safeguarding our democracy.

Dear 

Thank you for contacting Elections Canada on September 30, 2019.

Elections Canada is the independent agency responsible for the conduct of federal elections and referendums. We administer the Canada Elections Act (the Act) as adopted by Parliament. However, we do not conduct enforcement activities, such as investigations or the prosecution of offences.

The Commissioner of Canada Elections is the independent officer whose duty is to enforce the Act and the Referendum Act. Please note that when Elections Canada redirects a complaint to the Commissioner, this does not mean that Elections Canada views this complaint as an offence under the Act, but merely as a matter that falls under the jurisdiction of the Commissioner.

We have redirected your complaint to the Commissioner's office. Should it warrant further consideration, the Commissioner's office will investigate.

If you have further questions or concerns, please do not hesitate to contact us again.

Yours sincerely,

Elections Canada
