I would like to make a complaint regarding possible legal offences committed by Maxime Bernier, a candidate in this election and leader of the federally registered People's Party of Canada, and by Tyrone McAllister, a volunteer with a local electoral district association of the People's Party of Canada.

On September 29, 2019 a planned rally and fundraiser for the PPC (and/or one or more undisclosed local candidates and/or EDAs) had been scheduled for Hamilton, Ontario. This was to feature the services and entertainment of Mr. Dave Rubin, a U.S. citizen and broadcaster who is well-known as a political agitator.

The local PPC organizers announced on September 26 that the event would need to be cancelled because its host, Mohawk College, had evaluated the necessary security costs and informed them of a substantial increase. (This is likely due to the large number of far-right elements within the PPC, such as

local EDA president Shaun A. Walker, a notorious neo-Nazi hate criminal and political leader recently come to Canada also from the United States.)

Mr. Rubin, who is wealthy and not a Canadian citizen nor resident in Canada (he resides in California), offered to cover these expenses himself from his own pocket following entreaties by Maxime Bernier and Tyrone McAllister. Their responses to Mr. Rubin's offer to make this large cash donation to the PPC are included here.

I also believe the donation of Mr. Rubin's services (he is a very well-known broadcaster with many tens or even hundreds of thousands of listeners) to this fundraiser event also constitutes a donation in kind to the PPC, local candidates, or the riding association.

I believe the donation of Mr. Rubin's services well below their fair market value (I believe his speaking fees are above five figures in US dollars) to be an illegal donation and I believe his donation of funds to cover security costs for his event to be an illegal donation. I believe that Mr. Bernier and Mr. McAllister are fully aware that Mr. Rubin is a non-citizen and non-resident of Canada, and that they nevertheless wished to have him donate to the PPC, and therefore acted in furtherance of this illegal fundraising activity.
