Case Summary

Case Summary:

The RO of the ED 35056 contacted the OCIU to report that one of her CPS just discovered in his phone news from a Chinese tv station (fairchildtv.com). The news showed a video broadcast from inside of a poll of the ED 35056. The RO is concerned about the foreign interference in Canadian elections.

Note Text:

Although, we think this is an old video as the number on the ballot box is 099 and we are currently at 600 , I am routing the case to the EIO for further investigation. Please see attached the link to the video which has been sent by the RO to OCIU.
