Oxford dictionary definition of genocide "the murder of a large number of people from a particular nation or ethnic group, with the aim of destroying that nation or group. "  
You are are a wanker with no evidence or intelligence. Just throwing more red meat to your racist constituents. Focus on real genocide ie. Myanmar or Canada'a actions in Afghanistan. You are stoking racism against the Chinese communities in Canada and for that you are a racist pig.

Hi Michael: I just received a phone call from Claude at the Sergeant-at-Arms office on the hill.

The RCMP has been working behind the scenes was able to track down the person that sent the threatening email below. He is located in BC. His name is Darren Anodol (sp).

RCMP apprehended him this morning and he will be going through a psychiatric evaluation. The judge will evaluate him and decided what happens from there.

Thanks, D
