

Seventh Decision on Bulk Entry of Exhibits

1. The purpose of this decision is to bulk enter additional documents as exhibits.
2. In my *Decision on Bulk Entry of Exhibits*, dated April 14, 2024, I explained the bulk entry process for adding exhibits to the record.
3. On November 14, 2024, I circulated a bulk entry list to the Parties. None of the Parties raised an objection to the entry of the listed documents.
4. The documents in question generally fall into the following categories:
 - a. Affidavits and interview summaries of persons not called as witnesses;
 - b. French versions of documents that are already in evidence in English;
 - c. Documents that were unintentionally omitted from the Commission's previous bulk entry list of documents; and
 - d. Documents that came into existence during or after the Commission's public hearings
5. In my view, it would be appropriate to make the documents listed in Appendix 1 exhibits, and I so order.
6. During the Commission's work to publish documents that I made exhibits in my previous bulk entry decision, dated November 13, 2024, a small number of errors were

identified in document identification numbers contained in that decision, which requires formal correction. The documents listed in Appendix 2 are therefore no longer considered to be exhibits, notwithstanding my November 13th decision.

Signed

Commissioner Marie-Josée Hogue
